ORDER

On July 31, 2019, Knott County Water and Sewer District (Knott District) filed an application requesting an adjustment to its monthly water service rates pursuant to the procedures set forth in 807 KAR 5:076. On August 14, 2019, the Commission entered an Order that established a procedural schedule in this matter, stating that no later than November 13, 2019, Commission Staff (Staff) would issue a written report containing its findings and recommendations regarding Knott District's requested rate adjustment. On August 21, 2019, the Commission granted the Attorney General of the Commonwealth of Kentucky, by and through the Office of Rate Intervention (Attorney General) intervention in this matter. On September 5, 2019, Letcher County Water and Sewer District (Letcher District), and the city of Hindman (Hindman) were granted joint intervention in this matter.

Pursuant to the August 14, 2019 procedural schedule, the intervenors have propounded multiple rounds of discovery to Knott District, and Knott District has filed responses into the case record. Commission Staff issued a request for information to Knott District on October 29, 2019, with responses due on November 5, 2019. This information is necessary for Staff to complete its report, and, therefore, additional time is needed in order to examine the responses.

IT IS THEREFORE ORDERED that:
